REFERENCE:

The Board (C.T.) submits that according to Rule 32(b) in the General Rules as clarified in G.O.Ms.No.75, Revenue, dated 10.1.49, it is not competent to transfer permanent clerks of the Commercial Tax Department from the District to another and from a district to its own office and vice versa. The Deputy Commissioners (C.T.), being the administrative heads of their own divisions, are also not competent to transfer clerks from one district to another in their own divisions. As observed by the Government in their order No.Ms.75, Revenue, dated 10.1.49, it is administratively difficult in practice if the Government have to pass orders on every proposal for the transfer of clerks from one district to another. The Board also considers it necessary in the interests of administrative efficiency and practical convenience, that the Deputy Commissioners (CT), should be empowered to transfer clerks from one district to another in their own divisions. It submits that the Deputy Commissioners (Excise) are vested with similar powers in regard to the transfers of ministerial staff in the Excise department with in the same division. In the circumstances, the Board (CT) requests that the Government may be pleased to vest the Deputy Commissioners (C)T with powers to transfer clerks (Upper division and Lower division) and typists of the C.T. Department in their divisions from one district to another within their divisions and from a district within their divisions to their own offices and vice versa. It also requests that the Board (CT) may be empowered to transfer clerks (Upper division and Lower division) and typists from the division to another and from a district to its own office and vice versa.
